1st Sunday of Lent

Year A

1st March 2020

It has been two years since there has been a Pastoral group to advise the Parish Priest and assist with the needs of the Parish Community.

It is time to look at something new in respect of a Pastoral group, which will complement the Parish Finance Council as they both operate to assist the Parish Priest by providing advice on Parish matters.

This year the Parish will begin the process of developing a **Pastoral Leadership Group**, which will support the Parish Priest, Office staff and other volunteer leaders in our Parish.

The formation of this Pastoral group will be through a process of discernment and pastoral development.

The first part of this process will be through participation in the **Parish Leadership Development Day on Saturday March 28th from 8:30am to 3:00pm at the Dominic Centre Carina.**

If you wish to be part of this discernment process by attending this development day please contact the Parish Office to register. *Regards Fr Mark Franklin*

PROJECT COMPASSION

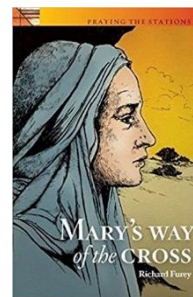

GO FURTHER TOGETHER

Shirley, 36, is an indigenous Manide woman living in a remote province in the Philippines. Shirley

was struggling to support her family and keep their children in school. She faced regular discrimination and disadvantage, limiting her family's access to food, education, employment and healthcare. With Caritas Australia's support, Shirley trained to become an indigenous health worker. She has learnt to supplement her income and is able to feed her family. The program has also empowered Shirley to send her children to school.

Please donate to Project Compassion 2020, to help people like Shirley.

Gardeners Needed at St Catherine's

With all this beautiful rain, the gardens at St Catherine's are in desperate need of some TLC, especially leading up to our anniversary celebrations.

Rather than have a working bee, we have decided to trial an 'adopt-a-garden' scheme.

If you are happy to look after part of a garden bed (weeding and tidying), please see Ian Holmes after Mass. Now is an ideal time to start with the ground so soft!

PROJECT COMPASSION

GO FURTHER TOGETHER

Indigenous minorities in the Philippines face regular discrimination and disadvantage, limiting their access to education, employment and healthcare. But thanks to Caritas Australia's Supporters, Shirley's life has transformed. She is now leading her community to take a stand against discrimination, improve health and education, and pave the way for a better future.

Unequal access to health services means that many indigenous children and families cannot access basic medical care. Preventable diseases, such as tuberculosis, dengue fever and measles are common among their community, and there is a high maternal and new-born mortality rate.

With Caritas Australia's support, Shirley trained to become an indigenous health worker and a leader in her community. She has learnt to supplement her income so she is able to feed her family. The program has also helped Shirley's children with school fees, uniforms and supplies.

Shirley says there's still a long way to go to fight for better employment opportunities for the Manide tribe and to reduce discrimination, but together they'll get there.

Your support is life saving for people experiencing poverty and oppression. Please help more people like Shirley gain confidence and respect within their community and help improve the conditions of indigenous people's around the world.

Let's Go Further, Together.
