### Catholic Mission Appeal this Weekend

This week Catholic Mission offers us the opportunity to be part of a life-changing program which aims to help prevent malnutrition, especially in babies and young children, and help disadvantaged families provide food for their loved ones. The Deberety Goat Rearing Centre is a dream of the local Church and community in Emdibir. When established, the Centre aims to provide nutritious goats milk for families in need, like Neela's, so that babies like Ajani can be healthy and strong.

**Please give generously today to help kickstart this life-giving program by using the appeal envelopes on the pews at Mass, or going online at [catholicmission.org.au/ethiopia](http://catholicmission.org.au/ethiopia).**

**Your gift will also help many other similar Church-run mission programs around the world.**

Thank you for choosing to support the work of Catholic Mission this year, and for sharing the important and vital work of missionaries around the world. Catholic Mission, as the Australian agency of the international Pontifical Mission Societies, works on behalf of Pope Francis to support Church-run mission programs around the world. Thanks to the generosity of Australians like you, last year we were able to support life-giving programs like the Mother and Babies Home, run by the Good Shepherd Sisters in Thailand, where pregnant women and mothers from vulnerable and disadvantaged backgrounds are given a helping hand to create a brighter future for themselves and their precious babies. Without your help, Sister Chalaad and the Good Shepherd Sisters could not continue this critical program, especially with the impact of the pandemic.

But there is still work to be done in many other Church-run programs around the world. This year, we invite parishioners to support families from disadvantaged backgrounds through programs like the Deberety Goat Rearing Centre in Ethiopia. The Centre can only be built with partnership and support. Through this appeal, Catholic Mission invites parishioners to be part of this life-changing mission program from the beginning, and by doing so, commit to being witnesses of Jesus Christ.

**We look forward to your parish partnering with us to support this life-giving work in Ethiopia, along with many other Church-run mission programs around the world.**

### Insurance Repairs to OLR Church & Office

Materials for the roof replacement have been delivered as scheduled however the work schedule above has been rain affected this week with our builders prudently electing to postpone the start of the reroofing until next week.

They took the opportunity to strip out the water damaged internals to the Parish office. This means yours truly is operating from a temporary office space in the interim and had some time offline this week during the relocation.

Reception staff are unaffected at this stage and you are welcome to attend the Parish office should you need to. Care should still be taken when in the Parish car park during the week as tradespeople and their vehicles may be coming and going.

Please remember the Blessed Sacrament Chapel remains inaccessible during these works.

As always we thank you for your patience and cooperation as these important repairs are undertaken. If you have any concerns please don't hesitate to contact me on 0452 618 278 or email [finchm@bne.catholic.net.au](mailto:finchm@bne.catholic.net.au)

**Thank you, Michael Finch – Parish Manager**
