The Most Holy Trinity

Year A

31st May

Pastor's Message

This weekend we celebrate the Feast of the Most Holy Trinity, the revelation of the mystery of God's inner life.

Our Scriptures assures us that not only is our God a personal God, but God exists as three Persons, Father, Son and Holy Spirit, while remaining one God. Although we cannot even begin to give a logical explanation for this, our faith enables us in some small measure to experience the presence of God.

How this can happen is stated by St Augustine in a most beautiful passage from his "Confessions" (p. 211).

"What do I love when I love my God?" he asks. Then he continues; *"Not material beauty or beauty of a temporal order; not the brilliance of earthly light, so welcome to our eyes; not the sweet melody of harmony and song; not the fragrance of flowers, perfumes and spices; not manna or honey; not limbs such as the body delights to embrace. It is not these that I love when I love my God. And yet, when I love him, it is true that I love a light of a certain kind, a voice, a perfume, a food, an embrace; but they are of the kind that I love in my inner self."* *"So tell me something of my God,"* he asks. And loud and clear they answered, *"God is he who made us."*

Seeing God will change us utterly, and this salvation is a pure gift that always comes from the Father, announced and realised in his divine Son, and made effective in each of us through the action of the Holy Spirit.

St Paul tells us that *"in one Spirit we have access through Christ to the Father"* (Eph 2:18). But the God's reaching down to us must be answered by reaching up our soul to God. To succeed in this, we must break free from the destructive pursuits which hold us captive. Then as St Paul says, *"as we gaze upon the glory of the Lord with unveiled faces, all of us are being transformed into that same image from glory to glory, which comes from the Lord, who is the Spirit"* (2 Cor 18). For this great promise, glory be to the Father, the Son, and the Holy Spirit, forever, Amen.

God Bless, Fr Mark.

Archbishop Shayne on Magnifica Humanitas

I am delighted to receive Pope Leo's reflections on artificial intelligence and other dimensions of our digital age. Like him, I celebrate the great capacity for human innovation and creativity reflected in these new developments. Pope Leo reminds us of the profound importance of ensuring that any development enhances our humanity rather than detracting from it. The human person and our shared life in community needs to remain our central focus, and the essential consideration in our decision-making. I look forward to reflecting further on the place of artificial intelligence in our lives, and on ways that we can use it to enrich our life together, so that we are builders of the holy city that Pope Leo so inspiringly and prophetically calls us to.
